

The diagram illustrates the dimensions for an A5 Oversize Potrait. A light orange vertical strip on the left represents the '15mm Butt' area. A horizontal red double-headed arrow at the top indicates a width of 156mm. A vertical red double-headed arrow on the right indicates a height of 210mm. Text in the center specifies the product code, trim size, and tear-out dimensions. A warning at the bottom states that an oversize fee applies.
